Valentine's Exchange

Friday, February 14th @ 2:00pm

Math

This week students will take a closer look at time. Students will be able to describe activities that take approximately 1 second, 1 minute, and 1 hour. We will also compare the analog clock with the digital clock. I will send home a set of flash cards that could be used at home to practice telling time on the analog clock, and also matching the digital and analog times together.

History & Geography

We finish our unit over Japan this week. Students will learn about the Cherry Blossom Festival. We will also discuss the traditional dress called the Kimono, and learn about the Children's Day celebrations. We will also read "The Tongue-Cut Sparrow." Students will be able to summarize the story and describe the moral learned.

SCHOLASTIC BOOK ORDERS DUE FRIDAY, FEBRUARY 14TH

Science

Students will learn more about the spider's life cycle. We will also take a look at the food web, and the important part that spiders play in the food chain. If you have or know of any spiders we could observe, please let me know!
