Spelling Words

Words with w, h, and wh: hold, hips, has, help, water, wish, willing, when, while, who, what, where

Challenge words: whistle, whisper, happen, welcome

Bonus: equality

The counted down has begun!

WE HAVE 23 DAYS

LEFT OF SCHOOL!!

Time sure does fly when you're having fun!!

Homework

Spelling- Choose 3 activities from the list below to practice your spelling words.

- Magazine Words- cut out letters from magazines or newspapers to spell out your spelling words.
- Write your spelling words. Circle all the vowels. Underline each consonant.
- Cursive Practice- write your spelling words in cursive 2 times each. (handout)
- Make two copies of your spelling words on index cards. Use the cards to play a memory or "Concentration" game with a family member.
- Fancy fingers- use your fanciest handwriting to write your words with curly, dotted, or other fancy letters!
- ABC order- write your spelling words in alphabetical order
- Or you may choose to work on Spelling City.com & turn in two spelling activities

Math-

Home Connections 26 Activity

Science

Weekly Science Workout Week 31

Reading

2nd graders are required to read 20 minutes/5 days a week. Students should fill in book and minutes read in their reading log. Parents please sign reading log to be turned in on Fridays with homework.

All homework will be turned in on Friday.

Reading/ELA

We have begun end of year reading testing on all students.

Students will read, discuss, and create different forms of poetry.

Have you turned in your forms for enrollment next year? Please turn those into the office ASAP!!

Math

During our last weeks of school, we will be reviewing all math concepts that we have learned this year. We will review patterns, story problems, counting money, fractions, probability, shapes, and measurement.

History & Geography

This week we will begin our Civil Rights unit. We will begin with taking a look at the life of Susan B. Anthony. Students will discuss how Susan B. Anthony's perseverance led to the eventual passage of the 19th amendment.

Please remember to read EVERY night! Please see the back of our newsletter for important information.

Science

This week, we continue our unit over cells. Students will develop an understanding of human body cells. They will explore that all living things are made up of cells too small to be seen with the naked eye.
